Basic Mesic Woodland Mix

This simpler version of our Diverse Mesic Woodland mix still includes many common woodland species. It will do well on most soils (except saturated) in full shade. Because of its reduced diversity and species selection, it can be provided at our minimum 1000 sq ft area.

Total Seeding Rate: 29.70 lbs per acre
 3.28 lbs grasses • 1.43 lbs forbs • 25 lbs nurse crop
 33.42 native seeds per sq ft

Call, email or visit our website for pricing.

Grasses, Sedges & Rushes		PLS Oz/acre	Seeds/sq ft
